Welcome to remotecodelist.com a site born after losing one too many universal remote manuals. If you have a remote for which you know the codes (or a web page that lists them) head to the contact page to submit them. Note: This site does not sell remotes, it is merely a list of remote control instructions and codes.

Universal Remote Control Codes

In some cases, the remote may not have a model number on it, so we just ask the member for a picture of the remote. Then we can search through google images (using the search term "verizon fios remote control"), which takes us to the Verizon page with all their remote models and instructions.
